33 YEAMAN SHORE | NETHERGATE BUSINESS CENTRE, 78-80 NETHERGATE | 66-68 NETHERGATE

DUNDEE

Dundee is Scotland's fourth city, located on the east coast overlooking the Tay estuary, with a population of around 150,000 and situated within 90 minutes' drive time of 90% of the nation's population.

Dundee boasts excellent teaching, research and training facilities at its two universities and also Ninewells Hospital, one of the foremost teaching hospitals in Europe. The city also boasts a technology park and a digital media park.

Ambitious proposals are well underway with the £1bn Dundee Waterfront Regeneration extending the city centre down to the waterfront which will include several large mixed-use developments, new conferencing facilities, civic space and a re-opened dock and marina area. The recently opened V&A Museum of Design, a £45m centre of design, forms the jewel in the crown of the waterfront development and is set to become one of Scotland's most iconic buildings in years to come.

WHITEHALL HOUSE, DUNDEE, DD1 4ER

33 YEAMAN SHORE | NETHERGATE BUSINESS CENTRE, 78-80 NETHERGATE | 66-68 NETHERGATE

DESCRIPTION

The property comprises three distinct parts including Whitehall House, Nethergate Business Centre and 66-68 Nethergate.

Whitehall House is one of Dundee's landmark buildings comprising a seven-storey office constructed of an in-situ concrete frame with facing blockwork cavity walls under a mineral felt covered flat roof. Each of the floorplates is open plan with an abundance of natural lighting, benefitting from excellent views over the Tay Estuary. The majority of the building has been recently refurbished, and the general specification includes, double glazed window units, passenger lifts, air conditioning and suspended ceilings with LG3 category 2 lighting. There is a secure undercroft car park beneath Whitehall House which provides space for 85 cars.

Nethergate Business Centre is accessed directly from Nethergate to the north. This forms a self-contained business centre comprising

business units over the ground floor, with first floor office/staff/kitchen space. The refurbished specification includes suspended ceilings with downlighters, carpeted floors, perimeter power distribution and DDA compliant WC facilities. A new goods lift has also recently been installed.

66-68 Nethergate comprises a multi-let office building arranged over first to fourth floors accessed via a ground floor entrance fronting onto Nethergate. The floor plates are predominantly open plan and incorporate suspended ceilings, perimeter trunking and gas central heating.

REFURBISHMENT WORKS

The vacant accommodation will undergo a comprehensive refurbishment to incorporate where applicable new suspended ceilings, LED lighting, tea prep areas, new carpeting and decoration.
